

**Seminar in the Integrated Research Training Group (IRTG)
of the SFB 676 "Particles, Strings and the Early Universe"**

Winter Term 11/12

Seminar on Presentation Skills

J. Louis

Course Description:

The seminar aims at Master-, PhD-students and Postdocs and focuses on skills necessary to present scientific results. The first three sessions are lectures on the topics:

- "How to write a scientific physics paper"
- "How to give a scientific physics talk"
- "How to do a job interview"

During the rest of the seminar the participants have the opportunity to give a 25-minute conference-type-talk with a subsequent discussion about the presentation.

Date and Place:

Tue, 16:00 – 17:00, SR 2a/2, DESY

Starting on:

18.10.2011
